

Legitimate interest statement for Emmanuel Epsom church

When an individual becomes a member of Emmanuel Epsom they give their contact details to the church. These details are kept on Mailchimp and on a password protected spreadsheet which the pastor and elders of the church have access to. Their details will also be shared with relevant group leaders and rota leaders. The trustees of the church have judged that it is in our members' interest to be kept up to date with Emmanuel Epsom's work and to know what is happening in the life of the church, and we will therefore use this data to communicate with members about our activity, including information about membership, events, useful publications, training, prayer and church finances

Members can change how we communicate with them by unsubscribing from any e-newsletters they receive, by contacting the pastor or any of the elders individually, or emailing emmanuelepsom@gmail.com

You can read our privacy statement to see more about how we store and use this data.
